

This is an **interactive Virtual Instructor-Led Training (VILT)**. Kindly ensure you have a working Webcam and Headset with Microphone.

The 3-Day CFO Series

Building the next generation of CFOs

- ✓ Strictly limited number of seats to ensure maximum learning and experience for all delegates
- ✓ Thorough and customised program to address current market concerns
- ✓ Provision of a digital certificate to participants at the end of the training

13 - 15 September 2022

KEY BENEFITS OF ATTENDING

- **EXPLORE** how and in what areas the finance function is being transformed and how they should re-train their finance teams
- **CHALLENGE** finance professionals to thoroughly re-assess their traditional skills and competencies against what is required in the current and changing environment
- **GAIN** a good understanding of how to exploit management accounting tools
- **UNDERSTAND** the concepts of evolving technological advances that are influencing finance
- **GAIN** significant insights into areas such as big data, business analytics, automation, robotics and machine learning in finance
- **RECEIVE** a significant understanding of finance business partnering in addition to skills and competencies required to engage with the rest of the business
- **RECOGNISE** opportunities to drive organisational performance and take a leadership role in their organisations
