

# Procurement Fraud Masterclass

**Strategic approach to procurement fraud risk identification  
and prevention**

**24 – 25 April 2024**

This is an **interactive Virtual Instructor-Led Training (VILT)**.  
Kindly ensure you have a working Webcam and Headset with Microphone.

## KEY BENEFITS OF ATTENDING

- **IMPLEMENT** a risk mitigation approach to better identify and prevent procurement fraud risk
- **ASSESS** current systems and controls, policies and procedures, expertise and capabilities for risk
- **IDENTIFY** the weak points of your risk mitigation approach
- **DESIGN** effective internal control measures to minimise fraud in the project and procurement lifecycle
- **COMBAT** procurement fraud through effective risk management strategy
