

# Strategic Change Management

Leading Organizational Change:  
Aligning People, Process, and Technology

22 - 23 April 2024

This is an **interactive Virtual Instructor-Led Training (VILT)**. Kindly ensure you have a working Webcam and Headset with Microphone.

- ✓ Strictly limited number of seats to ensure maximum learning and experience for all delegates
- ✓ Thorough and customised program to address current market concerns
- ✓ Provision of a digital certificate to delegates at the end of the trainings

## *KEY BENEFITS OF ATTENDING*

- **LEARN** about the fundamental principles of change management
- **DEVELOP** a better understanding of the change required in your organization
- **CLARIFY** reasons why change is necessary
- **ESTABLISH** the set of procedures for how to incorporate a change management plan
- **EXPLORE** techniques for gaining acceptance, enthusiasm, and valuable contribution to change efforts
- **IDENTIFY** ways in which you can help be part of the organizational change management and the implementation
- **REVIEW** different techniques for effectively creating a change management plan and training others to do the same
- **GAIN** the tools to be able to perform and implement an organizational change management process
