

# Strategic Thinking, Planning and Strategy Execution

Improve the financial and operational sustainability of your organization

19 - 20 February 2024

This is an **interactive Virtual Instructor-Led Training (VILT)**. Kindly ensure you have a working Webcam and Headset with Microphone.

## KEY BENEFITS OF ATTENDING:

- **DEVELOP** skills in strategic thinking
- **IDENTIFY** trends and patterns that enable predictive capability
- **TRANSLATE** strategic plans to business plans
- **FOSTER** collaborative teamwork between finance and the rest of the business
- **WORK** through a real-life case study
- **FORECAST** techniques for improved forecasting capabilities
- **INTEGRATE** planning and budgeting for effective resource allocations
- **DEVELOP** Key Performance Indicators (KPI's) from Key Performance Drivers (KPD's)
- **IMPROVE** the financial and operational sustainability of their organizations
