

Marine Cargo Claims

Gain strategic and tactical skills in handling cargo claim and losses

22 & 23 April 2024
1.00pm - 6.00pm | GMT+8

**Interactive Virtual
Instructor-Led Training**

WHY YOU SHOULD ATTEND

This Virtual Instructor-Led Training will help participants to identify the potential challenges in this complex environment and enable them to ask the right questions to the parties involved, thereby helping participants to understand and explain their own risks and exposure.

After the course, participants will have a deeper understanding of the fundamental issues related to cargo claims, the flow of documentation and how risks can be mitigated. Participants also will be able to discuss issues such as dangerous cargoes, seaworthiness and defences.

This is an **Interactive Virtual Instructor-Led Training (VILT)**. Kindly ensure you have a working Webcam and Headset with Microphone.
