

waste Management Masterclass

Effective waste management planning and implementation

6 - 7 May 2024

This is an **interactive Virtual Instructor-Led Training (VILT)**. Kindly ensure you have a working Webcam and Headset with Microphone.

KEY BENEFITS OF ATTENDING:

- **ANALYZE** various challenges of waste management
- **CONSIDER** organizational strengths, workmanship aptitude, and available tools during the waste management process
- **LEARN** to involve employees early in the waste management program to help them gain a sense of ownership and responsibility
- **PROVIDE** techniques, guidance, and advice to your team about waste handling
- **ENCOURAGE** reporting critical issues leading to waste
- **PROMOTE** leadership aspects in all levels and **ACKNOWLEDGE** the efforts to inculcate waste management strategies
- **ENHANCE** the concept of waste elimination before it is being produced

- ✓ Strictly limited number of seats to ensure maximum learning and experience for all delegates
- ✓ Thorough and customised program to address current market concerns
- ✓ Provision of a digital certificate to delegates at the end of the training
