

MODERN HR METRICS & POLICY IMPLEMENTATION FOR HIGH PERFORMANCE ORGANIZATIONS

A Practical 2-Day Program on Data-Driven HR Decisions and Compliant Policy Implementation

9 & 10 April 2026

1.00pm - 6.00pm | GMT +8

Interactive Virtual Instructor-Led Training

WHY YOU SHOULD ATTEND

As HR and people management roles become increasingly strategic, organisations need professionals who can turn HR data into meaningful business insights. This practical 2-day programme equips you with the ability to identify, analyse and present key HR metrics across recruitment, performance, engagement, rewards and learning. You will learn how to build simple HR dashboards and confidently communicate data-driven insights that support workforce planning and management decision-making.

In addition, the programme strengthens your capability to design and implement HR policies that are clear, practical and legally compliant within the Malaysian regulatory framework. Through hands-on guidance, you will learn how to review and enhance HR policies, manage policy rollout and change, and minimise compliance and employee relations risks—ensuring governance, consistency and a high-performance workplace culture.
