Safeguarding EPC Project Success

Mitigate Vendor Risks. Protect Project Success

20 & 21 July 2026
9.00am - 5.00pm | GMT +8

Concorde Hotel, KL
Zoom Platform

WHY YOU SHOULD ATTEND

This training is designed to help you strengthen participants ability to identify, evaluate, and mitigate vendor-related risks before they escalate into major project issues. Participants will gain practical knowledge on how to prioritise critical vendors, implement effective evaluation criteria, and continuously monitor vendor performance to ensure alignment with project goals.

By attending, participants will also learn how to navigate modern supply chain challenges, including global disruptions and uncertainties, while building more resilient and reliable vendor relationships. The training will provide participants with proven tools, frameworks, and checklists that can be immediately applied to improve vendor management practices in their organisation.
