

Decoding Malaysia Environmental, Health & Safety Law

Navigating Malaysian EHS Laws with Confidence

21 & 22 September 2026
9.00am - 5.00pm | GMT +8

Concorde Hotel, KL
Zoom Platform

WHY YOU SHOULD ATTEND

Organizations often struggle to interpret legal requirements and convert them into practical workplace controls. This training bridges that gap by providing a structured and practical approach to EHS legal compliance.

By attending this training, participants will be able to identify applicable legal requirements, understand employer and employee responsibilities, develop legal registers, conduct compliance evaluations, manage environmental and occupational health risks, and prepare effective action plans for addressing legal gaps. The training also equips participants with practical tools and templates that can be immediately implemented within their organizations to strengthen governance, reduce compliance risks, and improve audit readiness.
