

Artificial Intelligence for Human Resource Professionals

Transform HR Practices with AI: Enhance Employee Experiences and Drive Organizational and Personal Success

19 - 20 November 2026

9.00am - 5.00pm | GMT+8

Concorde Hotel
Kuala Lumpur, Malaysia

WHY YOU SHOULD ATTEND

This 2-day face-to-face training aims to equip HR professionals with the necessary AI skills to streamline HR processes and enhance decision-making capabilities.

As strategic gatekeepers, understanding and implementing AI is crucial for enhancing employment processes and recruiting top talent effectively. Gaining this expertise not only aids in managing digital transformations but also ensures that organizations remain competitive and adaptive in a technology-driven marketplace.

Organised by:

WEeventz Pte Ltd (Singapore)
